'How beautiful upon the mountains are the feet of him that bringeth good tidings...'Isaiah52:7

Dear church,

We had a wonderful Mother's Day event at Camp Light of light.

14 women accepting Jesus as their Savior!

"God's word continues to bring light and hope to afflicted hearts". Commented Mary, one of the mothers who suffers with one of her sons who is a drug user. Unfortunately, one of the main problems that has affected families in the Amazon Rivers is the use and sale of illicit drugs. After Bible study, praise and a testimony, 14 women accepting Jesus Christ as their Savior. Praise the Lord!

Most of the women who received Jesus are from the Community São Sebastião of Itapani River.

Below Mikaele (on the right) and Markele (on the left). Markele is the tallest, she was having constant fainting problems and her mother brought the test results to Todd, who asked for help from Melissa Stevens, she is a nurse practitioner from Meadow Grove Baptist Church, and found that the child Markele was dehydrated. She is much better now.

House-to-house visits, Bible studies and outreach at villages and Camp Luz da Vida. (Below Ituã community). Almost every day we receive riverside people at the missionary base, we have Bible studies, clinical care, psychological help, social help, family guidance. We are with families whose children have drug problems, alcohol and illnesses.
