

# AMAZON RIVER MISSIONS

AUGUST THROUGH DECEMBER 2024

**MATTHEW 16:14**

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.

## DEAR CHURCH,

In 2024, we started evangelism in Itapani River, the village chief invited us to bring the word of God to families, considering that we are the first church to be allowed to enter this river

## INSIDE THIS ISSUE:

Evangelism and Outreach:  
Reaching the Itapani River

Bible School at ARM Base

Support and services for  
riverside communities

Prayer Requests

# EVANGELISM AND OUTREACH

At the blue dot on the map, you'll find our missionary base, strategically located on the Sanabani River, with the Itapani River nearby. During our recent visit to the village of São Sebastião on the Itapani River, we conducted Bible studies and shared the love of Christ with the community.

Pictured with us are the little boy Muriel, along with Elielma, Stela, Gleicy, João, and Todd. Each interaction is a testimony of how God is moving in this region.

GOD WITH US...

## SCHOOL SÃO SEBASTIAO OF SANABANIZINHO, ITAPANI RIVER

House-to-house visits, bible studies and outreach at villages and Camp Luz da Vida. (Below Eva community). Almost every day we receive riverside people at the missionary base, we have Bible studies, clinical care, psychological help, social help, family guidance. We are with families whose children have drug problems, alcohol and illnesses.

# BIBLE SCHOOL AT ARM BASE

At the ARM Base, the Bible School continues to be a beacon of hope and faith, bringing the Word of God to the heart of the Amazon.

This challenging season has not dampened the spirit of those eager to learn and grow in their faith. Each session is a powerful testimony of perseverance, as communities come together to find strength and guidance in the teachings of Christ.

The Bible School is more than a place of learning, it's a refuge where faith flourishes and lives are transformed, no matter the circumstances.

## SUPPORT AND SERVICES FOR RIVERSIDE COMMUNITIES

In 2024, the Amazon River faced its worst drought in history, severely affecting local communities and ecosystems.

The photos above highlight the stark contrast between the river at its lowest and fullest levels. Despite these challenges, we stood alongside families, providing hope, support, and the message of God's love during this difficult time.

# PRAYER REQUESTS

1. We ask for prayer for the family of this young lady, who is holding the certificate of the Bible English course in 2018. Euziele, was having psychological problems and unfortunately took her own life. Her parents and three siblings need prayer at this difficult time.

2. As you know, Todd still needs some medical care, we had to travel to São Paulo, in the southeast of Brasil, to do some tests. Thyroid surgery may be necessary to remove some nodules. Please, pray for Todd that everything will go well and that he will soon be back on the mission field. Thank you all.

The ARM Ministry Team is living full time on the Sanabani River at LUZ DA VIDA Mission camp, spending quality time and spiritual effectiveness in very difficult-to-reach areas of the Amazon River Basin. These unreached people groups in villages and homesteads along the river banks can only be reached by boat. We ask that you keep us in your prayers and partner with us to reach these unreached people by taking to them the Light Of Life, Peace, Mercy and Grace through the Word of God, Baptizing them in the Name of The Father, The Son, and The Holy Spirit as commanded by our Lord and Savior Jesus.

The Gospel, the Good News is being spreading in the Amazon River. Thanks to your help, prayers and support. You all are part of the advancement of the Kingdom of God. Many things happened to stop the go and preach the gospel. But Our Heavenly Father, who called us and is in charge of this mission, IS GREATER!
