What a wonderful time with our brothers and sisters at the Luz da Vida camp. It was with great joy that we baptized nine new members. Approximately fifty people enjoyed a full day of Bible study and fellowship. Transportation was a challenge, taking eight trips with two boats to get everyone to the camp. Breakfast and lunch were provided. Activities included Bible study, worship, baptism, Bible donation, family fellowship, and games. Thanks for your prayer and financial support of Amazon River Missions! We ask for your prayers as we face challenging times ahead.
